	CORAM: D.K.DESHMUKH, J.
	DATED: 4TH MAY,2005

P.C.:

The Petitioner by this petition challenges the order passed by the authorities under the Co.operative Societies Act, whereby inquiry into the proposals received for registration of village level resource society are being inquired into. This order of inquiry was challenged by the Petitioner on the ground that his society was already registered. Now, by order made by this court in Writ Petition No.5128

of 2003 even the order for registration of the Petitioner/ society is also set aside removing the very basis on which the Petitioner was objecting to the inquiry into the other proposals received. It becomes clear from the facts narrated above that this is extremely frivolous petition filed by the Petitioner. In this petition the Petitioner has secured interim order, which order is operating for last more than about a year. Petition is rejected. Petitioner is directed to pay costs of this petition to the Respondent. The costs are quantified at Rs.5000/-.
